

November/December Just the Facts: 2024 Was a Great Year!

Indeed, 2024 was a great year for our EagleVail community. Please take a moment to review our accomplishments! We are so fortunate to have so many community partners, a tremendous staff and smart board leadership coming together every day to improve our neighborhood and year-round recreational offerings. On Nov. 21, the EVMD Board of Directors approved 2025's budget and activity rates; once again, we want to thank our very engaged Finance Committee for their expert input, setting us up for a great New Year. Everyone at EVMD wishes you a happy and healthy holiday season!
